All members of the Los Angeles Toros have arrived in town and have gone into intensive training for their NBL opener against the Fresno Bombers at the Toro arena, Oct. 13.

Leading the team in four-hour daily practice sessions is Player-Manager Steve Nagy, who has moved his family to L.A. from St. Louis. Other out-of-towners who have made the switch are Therman Gibson of Detroit and Don Krause of Milwaukee.

The NBL will operate in two divisions — east and west — for the purposes of standings, with Los Angeles and Fresno rated the teams to beat in the western division that also includes Omaha, Fort Worth and San Antonio. Dallas and Detroit are the pre-season picks in the east, with competition from Kansas City, Minneapolis-St. Paul and New York.

Season and single game tickets for Topos' matches are now on sale at Gable House.

## Stricken Coach Scheduled to Return to Area

Coach Norm Verry, El Camino College grid mentor, was expected to return to the Southland by air-ambulance yesterday following a week's hospitalization in Reno, Nev., where he was stricken by a brain hemorrhage Saturday.

Originally scheduled to return Thursday, the popular grid mentor was held at Washo Medical center in Reno following a slight increase in temperature, the result of a slight throat irritation and sinus congestion. Following antibiotic treatment, he is expected to be able to make the morning flight to Los Angeles.

Doctors in the Nevada medical center emphasized that Verry is showing continued progress and that no further evidence of difficulty has arisen following the brain hemorrhage.

### CONTINUED CARE

On his return to the Southland, Verry will be taken to St. Vincent's hospital, Los Angeles, where he will be placed under the care of Dr. Theodore Kurza, neurosurgeon affiliated with the University of Southern California. A series of diagnostic tests will be administered at the hospital for further study. Testing will probably begin early next week.

Dr. Charles Flemming, Reno neurosurgeon, predicted that the coach will be confined to St. Vincent's Hospital for a minimum of one week. Results of diagnosis there will govern the exact period of hospitalization.

Dr. Flemming noted that the coach is fully rational and that his recovery has progressed very well.

El Camino Warriors took over from the Orange Coast harriers Friday night when they cinched the cross country session with a 19-40 point score.

Second was Frank Duarte of Orange Coast while third place was brought in by Ron Bolton of ECC.

Coach of the Warrior squad is Ray Southstone.

cake was served for the occasion.

Homel was given a plaque by Ruth Caudle, president of the 50 and Over Club, for his outstanding help and guidance in helping to form this club. Homel stated that this was the greatest honor that he had ever achieved and the plaque may be the smallest but to him it was the largest.

Also present at the dinner were Mr. and Mrs. Jim Lawson, general manager of Midtown Bowl. Mr. Lawson is very impressed by Mrs. Caudle's club and has a chapter forming now at his establishment in Los Angeles.

PENSIVE WITH PENCILS and other study aids are El Camino College coeds awaiting decision of a male vote on campus to determine identity of the 1961 Grid Queen. With Associated Men Students voting Oct. 3 and 4, the winning candidate will be crowned at the annual grid dance Oct. 6. Coeds are (from left, front row) Linda Donaher, Gar-

Over 100 laps of racing are on the days card, with some 120 cars entered for the gigantic racing program over the rapid one-third mile clay oval. Racing goes at 2:30 p.m. after time trials at 12:30 p.m. "Wild" Bill Foster, Newhall, and Marvin Heinis, Sylmar, headline the stock car racing card, while "Tiger" Jim Roessler, Barstow, and Billy Cantrell, Colton, rank as favorites in the hot rod racing feature.

season in this type of machine.

## Thanksgiving Set For 'Mercy Bowl'

Thanksgiving Day, Nov. 23, has been proclaimed as "Mercy Bowl Day," by the County Board of Supervisors and all residents of Los Angeles County have been urged to support the "Mercy Bowl" game between East and West junior college championship teams that day in the Coliseum.

In presenting the motion, Supervisor Kenneth Hahn pointed out that the game will be dedicated to the memory of the 16 members of the California Polytechnic College football team who were killed in an airplane crash near Toledo, Ohio on October 29, 1960.

Proceeds of the game will be used to establish a memorial fund for the families of those who perished in the crash and for the benefit of the survivors.

Joining with Supervisor Hahn in sponsoring the motion were Supervisors Frank G. Bonelli and Warren M. Dorn.

## Pass Defense, Ground Gaining Keep Panthers In Own Backyard

South High School's mighty eleven Friday night trounced the vaunted Long Beach Jordan Panthers 19-0 in a series of ground gaining drives that kept Jordan contained in its own backyard throughout the evening.

In the bruising session, played in Long Beach, the Spartans kept out of the air and confined most of their plays to the ground.

Only time during the evening that Jordan made a significant advance was on a 15 yard penalty against the Spartans.

South's highly successful pass defense worked effectively against Jordan, which managed to complete only one of some 15 tries.

### CLINCHER

This pass defense could be a clincher when South goes up against pass-conscious Inglewood next weekend in the first season game of the Bay League.

Spartans picked up more than 350 yards with their effective rushing tactics.

Three tries by the Spartans to gain yardage by air failed with two incompletions and an interception by the Panthers.

Paydirt for the Spartans was hit in the first quarter when Halfback Dave Garrison drove six yards through the line for the first score. In the same period Phil Fish upped the ante to 13-0.

Last tally of the game was brought in during the final

period by halfback Harvey Siegel on a line plunge.

Tremendous showing of South's gridders Friday night should make them early favorites to bring home the Bay League title.

## Dorresteyn Heads Motorcycle Card At Tonight's Meet

In the last steeplechase at Ascot Sept. 3, Dorresteyn lowered Hammer's 15-lap record to 12:25.25 as well as setting one and four lap records.

The clinic attracted 40 to 50 high school and college wrestling coaches meeting to improve and standardize officiating of wrestling in California.

President of the association is Bill Hoag of Beverly Hills High School. Paul Manahan of El Camino College is vice president, while Dave Heng-

steler, also of El Camino, is chairman of the clinic.

Hengsteler noted, "This was the first of a series of three clinics, the other two to be October 28 and November 21. The first two clinics will deal with interpretation of rules and demonstrations of illegal holds. The last clinic will be based upon the techniques of coaching wrestling."

Guest speakers of the clinic were Reed Nilsen of Los Angeles State College and Joe Incorvaia of Cerritos College.

### FUN INDOORS

Gardeners who would have some fun indoors can grow certain bulbs in dishes or vases without using soil. Hyacinths can be grown in a "Hyacinth" glass, an hourglass shaped container that permits the bulb to sit just above the water and sends its roots down into it. Paper Whites can be grown in a dish of moist pebbles and forced into bloom before Christmastime.
